Sir James Bevan  
Chief Executive  
Environment Agency  
Horizon House  
Deanery Road  
BRISTOL BS1 5AH

Dear Sir James,

I am seeing a sharp uptick in complaints about the smell from Hills Waste's Northacre operation in Westbury. I have been on site on a number of occasions recently and can validate my constituents' experience.

Last summer was bad but Hills and the Environment Agency assured me and those I represent that the problem had been fixed. Plainly it had not been.

There is no way people should have to put up with this noxious stink for a second summer, significantly impacting on the ability of residents to enjoy their homes and gardens. Please will you say what enforcement action you will now take.

Thank you for your help.

Yours sincerely

Andrew Morrison
